## SUMMARY

I had many successes, despite my dyslexia problem. I graduated at Political Sciences in the most prominent and deep rooted faculty in Turkey (called Mekteb-i Mulkiye). I was a vice governor for fourteen years. I am also an engineer on electric-electronics branch. I had my own patent and some theories about science. At National cups, I won golden, silver and bronze medals with compound archery team. I am married with three children.

## EDUCATION

### MARMARA UNIVERSITY

**Master Degree**  
Electric-Electronics  
(Embedded System)  
2020 -Present

### PORTSMOUTH UNIVERSITY

**Master Degree**  
Public Administration  
2012-2013

**BOZOK UNIVERSITY**  
**BENCHELOR DEGREE**  
ELECTIRIC-ELECTRONICS  
ENGINEERING  
2014 - 2018

**ANKARA UNIVERSITY**  
**BENCHELOR DEGREE**  
INTERNATIONAL RELATIONSHIP  
1996 - 2003

## CERTIFICATES

**Management in Engineering**  
MIT Massachusetts Institute of Technology (2023)

**Project Management 1-3**  
Google (2022- 2023)

**Python Programming**  
University of Michigan (2022)

**European ProjectCycle Management**  
The British Council (2011)

**Archery Coaching Course Level 2**  
World Archery Federation (2023)

## WORKING EXPERIENCE

### PRODUCT MANAGER

Sarnicon Electronic Company | 2021 (3 months)

### VICE GOVERNER

Ministry of Interior | 2004 - 2021

## SKILLS

- Inovation
- Project Management
- Administration
- Problem Solving
- Team Work
- Communication

## PATENT

USPTO Parent ( US 10,730,559 B2)

## SOFTWARE

C++, C#, Matlab, Proteus, Xilinx Vitis (VHDL), Quartus,  
Cygwin (VLSI),SQL

## LANGUAGES

English (C1), France (B1), Turkish (native)

## DISABILITY

Dyslexia

## INTERESTS

Archery - National CUPs 2015-Golden, 2016-Bronze,  
2019-Silver
